Dear Mr. Baughman:

DESIGNATION OF TRUSTEE COUNCIL REPRESENTATIVES

The Rocky Flats Natural Resources Trustee Council ("Trustee Council") consists of representatives from the U.S. Department of Energy (DOE), the U.S. Department of the Interior, the Colorado Department of Public Health and the Environment, the Colorado Department of Natural Resources, and the Colorado Department of Law. The mission of the Trustee Council is to implement the Trustees' responsibilities to restore, replace or acquire the equivalent of natural resources injured or potentially injured by releases of hazardous substances from the Rocky Flats Site. The Trustees entered into a Memorandum of Understanding (MOU), effective January 4, 2007, and Part 7 of the MOU requires notification of changes to a party's representatives to the Trustee Council.

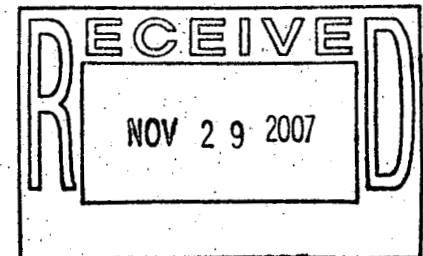

With completion of its mission, the Rocky Flats Project Office will soon be eliminated. All other long-term monitoring and maintenance responsibilities for the Rocky Flats Site have been transitioned to the Office of Legacy Management (LM).
